POLICY STATEMENT

It is the policy of The Protestant Separate School Board of the Town of Penetanguishene that all purchases or contracts for goods or services exceeding \$150 will be procured through a purchase requisition and purchase order system. The following Administrative Regulations shall direct and guide staff in purchasing procedures and in the delivery of purchasing services.

The current Broader Public Sector (BPS) Procurement Directive issued by the Management Board of Cabinet, (Appendix A), ensures that publicly-funded goods and services, including construction, consulting services, and information technology are acquired through a process that is open, fair, and transparent.

PURPOSE:

To direct the procurement and purchasing of goods and services through a process that ensures efficiency, transparency, financial control, quality and value.

ADMINISTRATIVE REGULATIONS

1. All items or services ordered or purchased must be done through a Purchase Requisition/Purchase Order to be paid by the Board.
2. If the Purchase Requisition is incomplete, it will be returned for additional information or additional authorization.
3. Board Policy C-2 'Petty Cash Fund' applies to petty cash purchases up to \$150.00. Any item over \$100.00 must be ordered by Purchase Requisition/Purchase Order.
4. All items purchased should be received in the same year the Purchase Order was issued. Any outstanding Purchase Orders will be reviewed and the appropriate action taken at the end of the fiscal year.
5. The Purchasing Administrative Regulations do not apply to repairs or services required as the result of an emergency situation. Purchase Requisitions must still be completed shortly thereafter and must contain the appropriate signing authority.
