**POLICY STATEMENT**

While instructional programs build knowledge, skills and attitudes relevant to a productive life, the Protestant Separate School Board of the Town of Penetanguishene (PSSBP) recognizes the value of extra-curricular programs/activities extending, enhancing these as well as significantly increasing the richness of school life for its students.

Additionally, extra-curricular activities contribute to the development of a set of valuable social skills among students that strengthen the learning environment in the school. The Board values the voluntary work of its staff and community members in extra-curricular work with students and is committed to providing an environment in which their work can enhance the students' learning experience outside the classroom.

The Board authorizes extra-curricular programs/activities in the school in the manner outlined in the Administrative Regulations.

**PURPOSE**

To provide direction to all members of the school community with respects to the initiation, development, implementation and processes involved with extra-curricular activities.

**ADMINISTRATIVE REGULATIONS**

1. Extra-curricular activities/programs may be organized by the staff for the students in areas such as sports, drama, music, clubs, student council and many others
2. All activities will be under the supervision of a teacher employed by the Board but may include a community member and/or a member of the non-teaching staff
3. Such activities may take place during the school day, before or after school or on weekends.
4. Extra-curricular activities shall be the responsibility of the principal and teaching staff in the same manner as curricular activities and shall be subject to the Human Rights Code and consistent with other policies of the Board.

5. Organizers of extra-curricular activities must consider any applicable health and safety and/or legal guidelines that might be relevant to the activity e.g. OPHEA guidelines, licensing/royalty fee requirements, requirements of other governing organizations
6. Where a staff member may wish to expand an extra-curricular activity/program into a new field of activity, it is required that the principal consult with the supervisory officer approve the activity.
7. A list of approved extra-curricular activities shall be on file in the principal's office.
8. It is expected that students, coaches and when it is applicable that an audience attend an activity, conduct themselves in a manner that is polite and otherwise appropriate. Failure to do so may result in removal from the activity.
